

## Village of Westmont Community Events Permit Request

This permit request form and checklist has been developed for the purpose of assisting community organizations and other entities that wish to host or coordinate community special events in the Village of Westmont. Completion and approval of this form is mandatory for any community event that is requesting special permissions from the Village of Westmont. This includes street closures, use of public right-of-way, permission for parades, use of amplified music, hanging of temporary banners, etc. Events that invite large public gatherings or assemblies of people that may result in a distinct impact on public right of way should also complete this form. All block parties and private parties utilizing amplified music must obtain permission from the Village, but do not need to fill out this form.

Please contact Larry McIntyre, Westmont Communications Director, at 630-417-0280 or [LMCINTYRE@westmont.il.gov](mailto:LMCINTYRE@westmont.il.gov) to assist with the completion of this form. Once completed, the permit request and accompanying checklist will be submitted for staff review. Requests that require Village Board Action will be placed on a Village Board agenda for consideration. Copies of completed requests will be placed on file with the Village Clerk's Office.

Please read through the entire form before filling it out. Please attach additional written information to this request if there is not enough space on this form. Requests should be received by Larry McIntyre **60 days prior to the event.**
